The Grant funding text that must appear somewhere on your poster is the following:

This project is funded by the National Library of Medicine Award Number G08LM011079 Information Grant to Reduce Health Disparities

That text must be on your poster- it can be as small as you’d like it to be, but it must appear somewhere on there. Thanks!

And, remember- your posters are due to Mr. Pinho at HS/HSL no later than April 11th at 5:00PM.
